MEMORANDUM FOR: See Below

SUBJECT : Distribution of the Two 10 April WSAG
Memoranda

1. Outlined below are the Director's instructions on internal distribution of the two 10 April WSAG memoranda.
2. SAVA will keep on file any additional copies and serve as a clearing house for further requests, particularly requests emanating from outside the Agency.
3. The Director felt these two memoranda did the Agency great credit and commends all those who participated therein. He believes, however, that these papers should be regarded as sensitive and distribution of them held to an irreducible minimum.
